

4th Advanced Architecture Contest

Questions and Answers

UPDATED 2011-09-20 >>>

People's Choice Award:

In parallel to the 4th Advanced Architecture Contest, the Institute for advanced architecture of Catalonia (IaaC) and Hewlett-Packard are also running the international People's Choice Award.

All participants interested in competing for this extra prize may submit one (1) representative image of the project using the HP ePrint & Share Web service. Submissions will be displayed on the **facebook page of IAAC** to be viewed and voted on by the public. The most popular image will win an HP Designjet T790 ePrinter.

Instructions to submit one (1) image using the HP ePrint & Share Web service:

1-Create the image to submit, (only JPG is allowed!)

2- Open your e-Print &Share account by registering in the following site and clicking on the "create an account" button.

https://h30510.www3.hp.com/?jumpid=re_R10931_go/eprintandshare&jumpid=ex_r10931_ga/ipg/socialmedia/advancedarchitecturecontest

3- use the "create share" button to add the your design , and share it with us by adding

contact@advancedarchitecturecontest.org to your sharing accounts. We will publish shared images in the CITY SENSE CONTEST website.

4 -Tell your friends that they could see your submission on the contest's site <http://www.advancedarchitecturecontest.org/> and vote for their favorite !!

More Questions and Answers:

1. Is the contest available for a single person only?

Yes

2. About the prize , does the all team members receive a one year scholarship or the scholarship is for only one person? and if it's only for one person could it's value be divided

to partial scholarships for the team members or not ?

The scholarship is for only one person, and yes can be divided if there is more than one that want to do it.

3. Could be possible to register the same team twice with two different proposals?

Yes, but you must do it with two different group leader. Has to be one Project per group leader.

4. About the video, may take three minutes instead of two?

Yes can take longer, but we recommend a short length.

5. Can be areas of public space, with the inclusion of new programs and activities, considered as a self-sufficient building that I mean the concepts as "operational landscapes" or "lands-links" coined by Metapolis?

All projects will be accepted as long as they propose new ideas on the subject of the competition.

6. For the 4th advanced architecture contest - City Sense, is the submission of video mandatory?

Is not mandatory, but highly recommended. It will make easier to the jury to understand the proposal.

7. Since we just graduated and are currently unemployed, we don't have the name of the university or the office to list in the registration sheet, what should we write in that space?

Leave this box empty or write the name of the University where you studied.

8. In what format should be made written description of the project? Microsoft Word or it should be placed on one of the panels? And were should be ID code, only in the video or on the panels too?

The written description goes in the panels and the ID code should be in both please, the video and the panels.

9. It is possible to participate to the contest with a single neighborhood or a single block?

Yes

10. Can someone choose the case study scale somewhere between a city and a building, a district for instant? Our we stricted only to the cities that are considered as (Smartcities) or we can choose any city?

You can choose any city, anywhere.

11. I signed up to the city-sense competition but didn't write the team members names which i would like to add now, how can i do it?

To add the team members, login and go to SUBMIT YOUR PROPOSAL
<http://www.advancedarchitecturecontest.org/contest/index.html>

12. Should the site be a real one or could it be a virtual one?

Answer:

Proposals can be located in any part of the planet.
